ORDERING PRINCIPLES

pointers :

man made

formal object : efficiensive [function & meaning]

material object : physical encloser [f space]

Principhia : orderly [composition]

architectural design :

human [conscious] effort

2 create orderly composition [f space & physical encloser]
which accomodate function
as well as express meaning

Instinctive [animal effort]:

Instinctive [animal effort]:

conscious [human effort]:

orderly composition

- why not just any composition?
- orderly 2 what reference[s] ?

life phenomena

glass

sketches

proportion, repetition
